At this time, Dr. Victor offers to the Board this Fourth Preliminary Agreement:  
Extension of Agreement Not to Practice in New Hampshire.

1. I, David I. Victor, M.D., request an extension to my Voluntary Agreement Not to Practice Medicine with the Massachusetts Board. The Extension Agreement issued on January 18, 2006 by the Massachusetts Board is attached to this document and all of its terms are incorporated into this Fourth Preliminary Agreement with the Board. I agree that the terms of the initial Agreement and the practice restrictions outlined in that Agreement shall resume should I return to practice and that they shall remain in place until such time as the Massachusetts Board and New Hampshire Board issue administratively final orders resolving the allegations of professional misconduct currently pending before the Boards. *See, RSA 329:18-a.*

2. I admit to no violations of RSA 329:17, VI or any other laws, statutes or regulations.

3. I understand that the NH Board may choose to await an administratively final order from the Massachusetts Board before acting on the pending allegation of misconduct. I hereby specifically waive any statute of limitations or laches defense, which might then be available as to these misconduct allegations.

4. I further understand that this document shall become a permanent part of my file, and will be maintained by the NH Board as a public document.

5. I voluntarily enter into this agreement with the NH Board and state that no promises or representations have been made to me other than those terms and conditions expressly stated herein.
